

## Medical Certificate

The organization will accept other models of medical certificates as long as they specifically indicate that the athlete is in physical condition to participate in an event of the characteristics and demands of this event, with a maximum of one year old prior to the race start. This medical certificate must be completed, dated, and signed by the doctor, who will also apply their seal and indicate their professional number. This certificate must be submitted BEFORE OCTOBER 13th, 2024. Failure to receive the medical certificate by the mentioned date may result in the cancellation of the race registration.
